REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art neither discloses, nor suggests the instantly coated stent having a coating having a melting point of about 50 or less wherein the coating composition comprises a carrier by weight in range from 50-99.9%. The closest prior art is that of EP 0 734 721 A2, which sets out a coated stent. The coating comprises up to 70% bioactive (see claim 8). That would leave at most 30% coating material. The instant claims are therefore allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carlos A. Azpuru whose telephone number is (571) 272-0588. The examiner can normally be reached on Tu-Fri, 6:30 am - 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thurman K. Page can be reached on (571) 272-0602. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
